BRUCE SHERMAN

CHAIRMAN & PRINCIPAL OWNER

Bruce Sherman serves as Principal Owner and Chairman of the Board, representing the fourth ownership in Club history after receiving unanimous approval from Major League Owners to acquire the team effective October 2, 2017. In just four years since taking over the organization, the Marlins snapped a 16-year postseason drought in 2020 and have ascended to a sustained consensus top-10 player development system, being labeled by MLB Pipeline as the most-improved organization from 2019-20. Mr. Sherman currently serves on Major League Baseball's Business Board, Long-Term Strategic Planning Committee, and Audit Committee.

In addition to building sustained success on and off the field, improved fan experience and commitment to the South Florida community have been hallmarks to Mr. Sherman's ownership as the Marlins continue investing significantly into ballpark enhancements as well as making a positive impact on our future leaders and their families through community outreach and Miami Marlins Foundation programming.

Mr. Sherman is Chairman and Chief Executive Officer of M4 Capital, having retired from his position as Chief Executive Officer of Private Capital Management ("PCM") in 2009. He launched PCM in 1986 and built it into the largest independent asset manager in the Southeastern United States prior to selling the firm to Legg Mason in 2001. Following the sale, he retained autonomy over PCM's portfolio management and investment research and led the company to a prestigious #1 ranking in the country as measured by Nelson's "World's Best Money Managers" for ten years, ending December 31, 2005.

Mr. Sherman has invested professionally and personally in the South Florida community. He has two daughters and four grandchildren, and is married to Cynthia Sherman, a retired partner of international law firm Rogers & Wells. He formerly served on the Board of Directors of Artis-Naples, the premier center for the performing and visual arts in Southwest Florida. He and his wife are also Lifetime Trustees for the Naples Children & Education Foundation supporting underprivileged and at-risk children in Collier County.

In addition to his participation and funding of Marlins community outreach initiatives and Miami Marlins Foundation programming, Mr. and Mrs. Sherman founded the Bruce and Cynthia Sherman Charitable Foundation. The Foundation administers the Sherman Prize to recognize and reward leading individuals who go above and beyond to make exceptional, pioneering contributions and inspire tomorrow's innovators in the fight to overcome Crohn's disease and ulcerative colitis. Honorees of the annual awards have hailed from the University of Miami Health System, Cleveland Clinic, University of Chicago, and Harvard Medical School, among many others. The Foundation also endows the Bruce and Cynthia Sherman Professorship in Urological Research and Innovation at New York University's School of Medicine. In 2021, the Foundation partnered with the Bascom Palmer Eye Institute at the University of Miami Miller School of Medicine to establish the Palm Beach Vision Health Initiative, a vision screening program for pediatric underserved communities.

Mr. and Mrs. Sherman reside in Boca Raton. He graduated from the University of Rhode Island in 1969 and earned his MBA from Bernard Baruch College in 1973.

Kim Ng enters her second season as General Manager, having joined the Marlins organization in November 2020 and becoming the fifth person in club history to hold the top position in baseball operations. She is the highest-ranking woman in baseball operations among the 30 MLB teams and was the first woman hired to the General Manager position by any of the professional men's sports teams in the North American Major Leagues. In 2021, she was recognized as the Best Hire in sports by the Sports Business Journal, the Trailblazer of the Year by Baseball America, a Game Changer by the Asia Society and received the Billie Jean King Leadership Award from the Women's Sports Foundation as well as the Lou Gehrig Sports Award from the ALS Association of Greater New York.

Ms. Ng owns more than 30 years in Major League Baseball, including a combined 21 years of previous experience in the front offices for the Chicago White Sox (1990-96), New York Yankees (1998-2001), and Los Angeles Dodgers (2002-11). She has been an integral part of eight postseason appearances, including six League Championship series and three World Championships (all with the Yankees, '98-'00).

Ms. Ng joined the Marlins having spent her prior nine years as Senior Vice President of Baseball Operations with Major League Baseball and the highest ranking Asian-American female baseball executive. In this capacity, she led a team that set policy for and enforced international signing rules, established MLB's first system for registering international players for signing and managed protocols for signing international players, raised the standards for international baseball academies, and negotiated agreements with international winter leagues. She also focused her efforts on growing the game of Baseball, leading MLB's efforts to improve the quality of play, caliber of talent, and rate of participation for amateur baseball around the world while also supervising MLB playing initiatives for girls and women. Additionally, Ms. Ng served on MLB's Diversity Pipeline Advisory Committee.

After beginning her baseball career as an intern with the White Sox in 1990, she ascended to Assistant Director of Baseball Operations. She then spent one season as the Director of Waivers and Records for the American League Office in 1997, before taking on the role as Assistant General Manager of the New York Yankees from 1998-2001. At the time Ms. Ng was hired, she was the youngest Assistant General Manager in Major League Baseball at 29 years of age, and only the second woman to attain the position with a Major League Baseball club.

During her nine-year tenure with the Los Angeles Dodgers as Vice President and Assistant General Manager, Ms. Ng's primary duties included assisting in all player transactions, trades, and free agent signings, while also overseeing the club's arbitration efforts along with the pro scouting, medical, and video departments. In 2004, she served as the Club's interim Farm Director, overseeing all player development.

1997 WORLD SERIES CELEBRATION

loanDepot park went vintage the weekend of May 13-15 in celebration of the 25th anniversary of the 1997 World Series. The Marlins had Liván Hernández on the mound, Charles Johnson behind the plate, and Gary Sheffield swinging a bat!

Marlins fans were treated to the ultimate throwback party from May 13-15 as the organization hosted former players and coaches for the 1997 World Series 25th Anniversary Celebration presented by AutoNation. All weekend long, the Marlins hosted events at loanDepot park and across the South Florida community, bringing fans closer to the players and the 1997 World Series championship trophy.

The group from the 1997 club in attendance consisted of Manager Jim Leyland, third-base coach Rich Donnelly, and players Kurt Abbott, Antonio Alfonseca, Alex Arias, John Cangelosi, Craig Counsell, Jim Eisenreich, Alex Fernandez, Liván Hernández, Charles Johnson, Édgar Rentería and Gary Sheffield.

The members from the 1997 club could be found at every corner of loanDepot park, greeting fans at the entrances, distributing giveaways, taking photos with fans, engaging with fans at activations on the West Plaza, and more. The ballpark experience also had special touches as the Marlins new LED Sports Lighting System showcased teal highlights during

pre-game ceremonies and in-game moments and had a digital scoreboard that reminded everyone of the teal scoreboard from the old stadium. The first 8,000 fans on Saturday received a 1997 World Series Replica Ring presented by AutoNation.

On Saturday, the Marlins held a special pre-game ceremony to recognize the 1997 World Series team. Each member in attendance received a dedicated introduction, including Craig Counsell, Manager of the visiting Milwaukee Brewers. Jeff Conine, who was not able to make it due to his current coaching role with Florida International University, sent in a video message to fans and his fellow teammates and coaches, which was displayed on MarlinsVision.

Additionally, current staff of the Marlins front office who were with the team in 1997 were also recognized during the ceremony and were on-hand to welcome each member as they ran out of the dugout.

On Sunday, the group dusted off their gloves and bats to see who still had it in a pre-game softball game. In a tightly played game, the Teal team overcame an early deficit to come out victorious against the Black team. Despite the competitive setting of the game, the smiles, laughs, and hugs revealed how special this weekend and the 1997 club were.

Our National Parks

The National Mall welcomes millions every year, but what they see is hardly welcoming.

It welcomes the world to our most significant monuments and memorials. But like many national parks, the National Mall in Washington, D.C., desperately needs our help, including $350 million in federal funding for maintenance, repairs, and preservation.

You can help with a simple letter.
Visit NPCA.org/mall. Or call 1-800-NAT PARK.

ChildFund®

As we social distance, COVID-19 pushes us apart.

As we help children around the world, we pull together.

The pandemic shows how connected we all are, how the quality of life anywhere affects everyone's health and well-being, everywhere.

Children in the world's poorest places face the gravest risks – not just from COVID-19, but also from its ripple effects, especially hunger. Because when parents can't work, children can't eat. We've never seen a crisis like this.

But ChildFund is helping millions of children across Africa, Asia and the Americas stay connected to what they need to grow up healthy, educated and safe. In the biggest emergency response of ChildFund's 80-year history, we and caring people everywhere are pulling together to make sure that children not only survive the pandemic but thrive beyond it.
